

HealthSecure Insurance - Benefits Guide

1. Plan Overview (Bronze, Silver, Gold)

HealthSecure offers three core tiers:

- Bronze: Lower premiums, higher deductibles (\$5,000 deductible, 30% coinsurance).
- Silver: Balanced coverage (\$2,500 deductible, 20% coinsurance).
- Gold: Comprehensive coverage (\$500 deductible, 10% coinsurance).

2. Primary & Specialist Care

Primary care visits require a \$25 copay (Silver/Gold). Specialist care requires a primary care referral for Bronze plans. See 03_Coverage_Policies.pdf for network details.

3. Emergency & Preventive Care

Emergency care is covered 100% after copay at any facility. Preventive care (annual physicals, vaccinations) is covered with \$0 copay across all plans.

4. Diagnostic Imaging & Physiotherapy

Basic X-rays are covered in-office. MRIs and CT scans require prior authorization (refer to 04_Prior_Authorization_Guide.pdf). Physiotherapy is capped at 20 visits/year for Gold plans.

5. Prescription Drugs & Limits

Prescriptions are tiered: Generic (Tier 1), Preferred Brand (Tier 2), Non-Preferred (Tier 3), and Specialty (Tier 4). Specialty drugs require prior approval.
