

HealthSecure Insurance - Coverage Policies

1. Covered vs. Excluded Services

Covered: Inpatient care, emergency medicine, preventive visits, outpatient surgery. Excluded: Cosmetic surgery, experimental therapies, adult dental/vision unless added via rider.

2. Medical Necessity Rules

All treatments must meet HealthSecure Medical Necessity Guidelines. Non-necessary procedures will result in claim denials (see 05_Claims_Guide.pdf).

3. Network Rules & Waiting Periods

In-network providers bill HealthSecure directly. Pre-existing condition waiting periods do not apply to ACA-compliant plans. Annual coverage limits apply as outlined in 02_Benefits_Guide.pdf.

4. Scenarios & Examples

Scenario A: Emergency Room Visit - Covered under emergency rules regardless of network.

Scenario B: Elective Surgery - Must be pre-authorized per 04_Prior_Authorization_Guide.pdf.
